COLOUR: NATURAL OR WHITE (OTHERS TO ORDER)

IML OPTION: N/A

PRODUCT WEIGHT: 96GRMS +/- 2GRMS

PACKING DETAILS: 100 PARTS PER BOX; 20 PARTS PER STACK; 5 STACKS PER BOX; 20 BOXES PER PALLET; 2000 PARTS PER PALLET

RAW MATERIAL OPTIONS

Cold Temperatures: Polymers specifically designed to withstand frozen temperatures should be tested by customers with the intended product before approval for use at low temperatures.

Hot Temperatures: The material chosen has very good heat resistance and the packaging is suitable for hot filling. Customers should test with the actual product before approval for use at hot temperatures.

QUALITY

Approvals: All plastic packaging complies with the applicable EU regulations relating to food-contact materials and good manufacturing practices unless otherwise stated. It is the responsibility of the customer to ensure the supplied product is suitable for the intended use.

Shelf-Life: Compliance with the technical specifications is guaranteed for 24 months after delivery subject to suitable storage conditions.
